Congratulations to St James' High School on their recent inspections. The school has been judged to be of the highest "**outstanding**" level, both by OfSTED, and by the Church Schools inspection, which happened at the same time. Well done also to all the members of our church family who serve as governors or contribute in many other ways to the life of the school.

Looks like we're back into full swing - **Why not try something new this New Year?**

Events Calendar for January - April 2012 is now available in each church - please take them and give to friends.

Don't forget to pick up the **new giving envelopes** at each church. If you would like envelopes please see your treasurer. It is much cheaper for the parish if you could give by regular **Standing Order** and don't forget that if you pay any tax at all you could fill in a **Gift Aid** form and increase your giving by 20% without having to give any extra. See your **Treasurer** for details of all this
